

Internship Details:

Position: Web Developer Intern / UI/UX Designer Intern / Digital Marketing Intern

Duration: 4-6 weeks

Location: Work from Home

Stipend: Depending on Performance

Web Developer Intern: As a web developer intern, you will be working closely with our tech team to build and maintain the Krishi Mandi platform. You'll have the opportunity to code, test, and deploy features that enhance user experience and functionality.

UI/UX Designer Intern: As a UI/UX designer intern, you'll be responsible for creating visually appealing and user-friendly designs for our platform. You'll work on wireframes, prototypes, and collaborate with the development team to bring your designs to life.

Digital Marketing Intern: As a Digital Marketing intern, you'll have the chance to dive into the world of online marketing and contribute to our efforts in reaching a wider audience and achieving our business goals.

Requirements:

- Strong passion for technology and a desire to innovate
- Proficiency in building efficient web application APIs (**for Web Developer Interns**)
- Proficiency in design tools (**for UI/UX Designer Intern**)
- Proficiency in Social Media Management, Content Creation (**for Digital Marketing Intern**)
- Ability to work independently and collaboratively in a fast-paced environment
- Excellent communication and problem-solving skills

Why Choose Krishi Mandi:

- Gain hands-on experience working on a live project with real-world impact
- Collaborate with a diverse and talented team of professionals
- Learn from industry experts and enhance your skill set
- Contribute to the agricultural sector and make a positive difference
