Stillsweb Technologies Private Limited
w: www.stillsweb.com
@: support@stillsweb.com

**Position Title:** Full Stack Developer

**Position Type:** Full Time

**Job Location:** Powai, Mumbai (work from office)

**CTC:** INR 6 – 8 LPA

**Key Responsibilities:**

We are looking for Javascript Developers to help us build platform for in-house projects and our clients.

- Develop and ship features from end-to-end. We spend a lot of time thinking through how to build new features, but the goal is always for the implementation to be maintainable
- Building and scaling web products that directly impact our customers or partners.
- Ensure the technical feasibility of UI/UX designs and implement them.
- Implement user interfaces in React alongside Node
- Translate several RESTful data sources to be used in a front-end application
- Dig into bugs and feature requests
- Help other engineers on the team and across Pixean
- Work with our team to engineer new growth initiatives
- Write lots of tests!

**About you:**

- You know how to build scalable web apps
- You know how to build front-end components
- You are a proficient JavaScript developer
- Good understanding of micro-server architecture and REST API
- You're comfortable with HTML, CSS, and related technologies
- You know why a framework is necessary and know React
- Min 2+ years of working with Node.js, React.js, Express.js, MySQL
- Proficient understanding of code versioning tools Git
- Familiarity with front-end build tools, such as Webpack
- You value code quality
- Highly enthusiastic and enjoy learning new technologies and frameworks
- Take ownership, work collaboratively, and figure things out

**Important Personal Attributes:**

- Eager to work at an early stage startup

- Can work independently and has a getting things done attitude
- Candidate must be organized and detail-oriented.

## About Stillsweb (company):

Stillsweb is highly reliable, secure, on demand and consolidated storage solution for images. It's built primarily for photographers and image based businesses to store and manage images for personal, clients, and corporate use.

Here, is an opportunity to work in a complete creative and vibrant environment. Stillsweb is a place where you can challenge yourself everyday with new opportunities. We are looking for a confident, dynamic and enthusiastic human to join our creative team who is open to learn new things every day and can contribute towards the growth of organization.
